

3 in 10 children in the UK do not own a single book of their own. Here at Delight we believe every child should have their own books to enjoy at home.

This is how you can help.

Last year Delight provided over 3,000 children with books that they could choose, take home and keep.

You can help us to support even more children by donating your outgrown books. We collect pre-loved and new books suitable for children aged 3-11.

You donate the books and we'll do the rest.

Your school is holding a book collection.

All you need to do is bring your books into school.
