

Delight

This book feels like it was made for me.

Here at Delight
we believe every
child should have
their own books
to enjoy at home.

You donate the
books and we'll
do the rest.

**There are many children living in the UK
who do not have a single book of their own.**

This is how you can help.

Last year Delight provided over 3,400 children with books that they could choose and keep. You can help us to support even more children by donating your outgrown books. We collect pre-loved and new books suitable for children aged 3-11.

**Your school is holding
a book collection.**

**All you need to do is bring
your books into school.**
