Out of this World 2024-25
Teacher Led Programme
Memorandum of Understanding

We are 'delighted' to be working with you on our Out of this World programme..

Out of this World is a partnership project with Delight and Paintbox and your school.

Below is an outline of what is required from Out of this World stakeholders to ensure that the programme runs smoothly.

Art Sessions

- Out of this World consists of 6 weekly sessions, 3 led by Paintbox and 3 led by teachers.
- Dates are confirmed by the Out of this World Programme Lead before the programme begins.
- Paintbox sessions will be run by a professional Paintbox artist.
- Paintbox will arrange their travel to and from the school.
- Where possible the school will provide rooms of suitable size for the sessions.

Evaluation

- Out of this World develops children creatively, support learning, social & emotional development and wellbeing.
- Delight will be working with tracking data provided by the school to evaluate the programme outcomes.
- How evaluation data will be used and stored can be found in our Data Sharing Agreement. This agreement will be sent to your SLT at the start of the academic year.
- Delight will share pre- and post-programme questionnaires with teachers to be completed by:
    - Teacher survey: all teachers
    - Pupil premium tracking: 3 children per class, completed by teacher with pupil voice

Dates and Cancellations

- Delight will liaise with each school to confirm programme details. Should there be any reason preventing in-school sessions, Delight would endeavour to find an alternative date but this cannot be guaranteed.

Safeguarding

- Teachers must be present at all times and are responsible for their class throughout the programme.
- The school office will share their safeguarding policy and details of DSL for Delight to share with Paintbox.
- The school will inform Paintbox of any specific issues regarding the pupil's needs that may affect their participation in the programme.
- DBS names and numbers will be shared with your school office or SMB ahead of the programme start. Paintbox's Safeguarding policy is updated regularly and is supplied to participating schools.
- Any safeguarding incident or concern will be raised with the school via Delight's Safeguarding process as part of the Delight Safeguarding Policy, using Delight's Safeguarding Reporting Form.
