4th Class Resource Preparation & Storage

Senior Infants

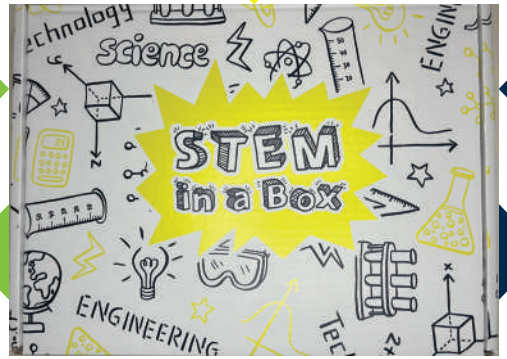

Large Plastic Box
(1 x plastic box per class)

Senior Infants Resources
Senior Infants specific resources are stored in the Senior Infants plastic box/es (see Senior Infants Resource Preparation & Storage document).

Children's 'Lab Station' boxes

Shared resources
Specific resources are used by Senior Infants and 4th Class. These should always remain in the children's 'Lab Station' box (see page 2).

4th Class

Small Plastic Box
(1 x plastic box per class)

4th Class Resources
4th Class specific resources are stored in the 4th Class plastic box/es (see page 4).

Before the Lesson
Some of the resources in the 4th Class plastic box/es need to be transferred to the 'Lab Station' boxes (see page 2).

After the Lesson
The 4th Class resources need to be repacked into the 4th Class plastic box/es (see page 4).

4th Class Children's 'Lab Station' Boxes

'Lab Station' box resource storage

The resources listed in **white** should always be kept in the 'Lab Station' boxes.

Before the lesson

Resources in yellow are stored in the 4th Class plastic box and need to be transferred to the children's 'Lab Station' boxes.

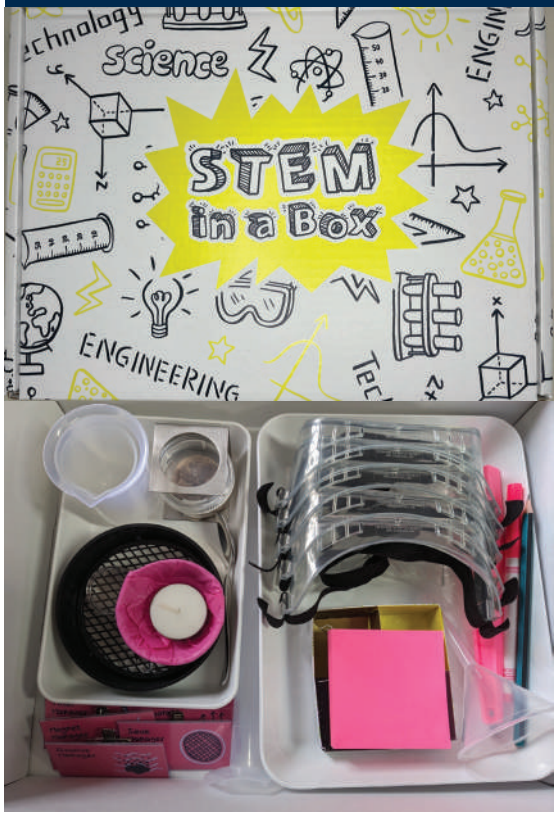

After the lesson

Repack the resources in yellow into the plastic box.
